

# ASMIT BISESH

B.Tech Computer Science & Engineering | 4th Year

☎ 8617231014

✉ asmktbises0@gmail.com

📍 Kalyani, India

## ABOUT ME

Motivated and detail-oriented Computer Science & Engineering student in my final year at Heritage Institute of Technology. I have hands-on experience building full-stack web applications using the MERN stack and developing machine learning models for real-world problem solving. Passionate about writing clean, efficient code and continuously expanding my technical skillset. Eager to contribute to impactful projects and grow as a software engineer in a dynamic, collaborative environment.

## EDUCATION

Heritage Institute of Technology, Kolkata | 2023 – 2027

**B.Tech in Computer Science & Engineering**

CGPA: 7.51 (up to 5th Semester)

Julien Day School, Kalyani | 2022 – 2023

**Class XII — ISC Board**

Percentage: 88%

Julien Day School, Kalyani | 2020 – 2021

**Class X — ICSE Board**

Percentage: 77%

## PROJECTS

### Hospital Management System

*Tech Stack: MongoDB, Express.js, React, Node.js (MERN)*

Developed a full-stack web application to streamline hospital operations including patient registration, appointment scheduling, doctor management, and billing. Implemented role-based authentication for admins, doctors, and patients using JWT. Built a responsive React frontend with a RESTful Node.js/Express backend connected to a MongoDB database.

### Plant-Based Disease Prediction

*Tech Stack: Python, Machine Learning, TensorFlow / Scikit-learn*

Built a machine learning model to detect and classify plant leaf diseases from images using convolutional neural networks. Trained on a labelled dataset with data augmentation techniques to improve model accuracy. The solution helps farmers identify crop diseases early, enabling timely intervention and reducing agricultural losses.

## SKILLS

### Web Development

- MERN Stack (MongoDB, Express, React, Node.js)
- REST API Design
- HTML / CSS

### Machine Learning

- Model Training & Evaluation
- TensorFlow / Scikit-learn
- Data Preprocessing

### Languages & Other

- Java
- C++
- Python
